

## Application for Terry Reiniger Drama Scholarship

LOWER COLUMBIA COLLEGE DRAMA PROGRAM

The Lower Columbia College Foundation provides funding of awards for students participating in Drama through the Terry Reiniger Drama Scholarship. The total number and amount of awards are determined annually based on funding. While awards are made quarterly and there is no guarantee that they will be renewed, a student who maintains active drama participation, has successfully participated in the quarterly drama production, is in good academic standing, and has completed at least 12 credits per quarter can assume that the scholarship will be renewed throughout the academic year. Reapplication is necessary for each new academic year. It is the goal of the Drama Program that all students be well rounded and trained in the theater, and toward that end students should be prepared to work onstage and backstage. Scholarship students will be required to work in a number of capacities in their tenure at Lower Columbia College.
